

# Third Grade Rocks!

May 30, 2017

## Dear Parents,

We hope that you had a relaxing Memorial Day weekend with your family and friends. The next two weeks will be busy as we wrap up a tremendous third grade year! This will be the last newsletter of the school year.

We will be spending our afternoons combining our Reading and Writing skills with our study of Michigan by looking at different public policies that affect Michigan. Students will be working in a group to research an issue and what are some solutions. They will create a project to share with the class.

The last week of school we will be spending time on a cars stem activity to learn more about engineering & economics and working together.

Thanks for all of your support, prayers, and encouragement this year!

## In His Service,

Kris Grimm & Cyndy Hoogeboom

## Bible

Ehud  
Deborah  
Gideon  
Abimeleck  
Jepthah  
Samson  
Ruth

## Math

Word Problems with unknown factors  
Word Problems with unknown starts  
Comparison Problems (3 days)  
Two Step Word Problems
